## Statement of intent

At St Francis of Assisi Catholic School, we understand the need to continually deliver high quality education, including during periods of remote learning – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote learning, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

# Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

## 1. Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
  - DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
  - DfE (2020) 'Adapting teaching practice for remote education'
  - DfE (2020) 'Guidance for full opening: schools'
  - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
  - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
  - DfE (2020) 'How schools can plan for tier 2 local restrictions'
  - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

## 2. Contingency planning

- 2.1 The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

#### **Tier 1 local restrictions**

- 2.6 The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 2 local restrictions**

- 2.7 The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 3 local restrictions**

- 2.8 The school will remain open if tier 3 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 4 local restrictions**

- 2.9 The school will limit on-site attendance to just vulnerable children and young people. All other pupils will receive remote education in line with section 3 of this appendix.

### **3. Teaching and learning**

In recognition that staff may have differing home circumstances, staff are free to perform their work from home at times that suits them. There are, however, core hours during which staff must be available to respond to calls and emails etc. These core hours are 0900-1515 or, their contracted hours.

If you are working from home, you must ensure that you take adequate breaks as follows:

A break of at least 20 minutes for every six hours worked

A lunch break

#### **Expectations of home working during school partial/full closures**

Teachers:

- to contribute to the planning for their year group home learning during PPA time.
- setting and responding to remote learning tasks for their year group.
- pastoral monitoring of children who remain at home (in conjunction with DSL)
- to complete tasks relating to their subject co-ordinator role.

Learning support staff :

- create resources to support learning as directed by the class teacher/SLT

Administrative staff:

These staff will work either remotely from home or in school as directed by the school business manager and headteacher.

### **Expectations of home working whilst self-isolating:**

Teachers: Teachers will contribute to planning and teaching in as far as possible.

Support staff: A list of jobs will be devised by teaching staff.

Office staff: staff will work remotely from home.

### **Management of home working**

  - Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- 3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
