

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	St Francis of Assisi Catholic School
Number of pupils in school	143
Proportion (%) of pupil premium eligible pupils	56%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021/2022 to 2024/2025
Date this statement was published	December 2021
Date on which it will be reviewed	July 2022
Statement authorised by	Ann Naylor
Pupil premium lead	Ann Naylor/Claire Latham
Governor / Trustee lead	Cath Eglin

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£118,015
Recovery premium funding allocation this academic year	£12,470
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£130,485

Part A: Pupil premium strategy plan

Statement of intent

At St Francis of Assisi Catholic School it is our aim to ensure that our pupils are not disadvantaged as a result of their socio-economic context. We believe that all pupils can achieve their full potential as long as the provision meets their needs. Using research conducted by EEF to support our strategy, we ensure that decisions about using our Pupil Premium funding consider common barriers to learning as well as contextual challenges. Covid has potentially reversed a decade of progress in closing the attainment gap. The evidence is clear that although all children have been impacted, disadvantaged pupils have fallen further behind. In this context, it is more important than ever to focus our efforts on what evidence tells us is most likely to be effective in diminishing this gap.

We have high expectations of all of our pupils and believe that this is key to achieving the highest possible standards. High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. We will ensure that all teaching staff are involved in the analysis of data and identification of pupils, so that they are fully aware of the progress of all children and that gaps are closed between disadvantaged and non-disadvantaged pupils.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

School leaders will continually monitor the progress of the pupil premium strategy, adapting their approach when and where appropriate.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Low attainment on entry to EYFS in all areas
2	Poor language and communication skills
3	Attendance issues
4	Gaps in learning due to Covid disruption
5	Mental health and resilience affected by Covid disruption

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading	Achieve increased national average progress scores in KS2 Reading (0)
Progress in Writing	Achieve increased national average progress scores in KS2 Writing (0)
Progress in Mathematics	Achieve increased national average progress scores in Mathematics (0)
Phonics	Achieve national average expected standard in PSC
Other	Improve attendance of disadvantaged pupils so that attendance is above 95%

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £72,221

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Access to high quality CPD to ensure systematic practice across the school.</p> <p>High quality teaching.</p>	<p>Effective Professional Development Education Endowment Foundation EEF</p> <p>High quality teaching improves pupil outcomes, and effective professional development offers a crucial tool to develop teaching quality and enhance children's outcomes in the classroom. NPQ opportunities taken by staff where possible and appropriate (NPQLTD) as well as ongoing CPD through SHARES, LA and the Archdiocese.</p>	1,2,4
<p>Retention of small class sizes and therefore high pupil:staff ratio.</p>	<p>Small class sizes +2mths</p> <p>Small Class Sizes Toolkit Strand Education Endowment Foundation EEF</p> <p>Reducing class size is an approach to managing the ratio between pupils and teachers, as it is suggested that the range of approaches a teacher can employ and the amount of attention each pupil will receive will increase as the number of pupils per teacher becomes smaller.</p>	1,2,4
<p>Improve the quality of social and emotional (SEL) learning.</p>	<p>Social and Emotional Learning +4mths</p> <p>EEF Social and Emotional Learning.pdf (EEF)</p> <p>There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers)</p>	5
<p>Purchase of a DfE validated Systematic Synthetic Phonics programme to secure stronger phonics teaching for all pupils.</p>	<p>Phonics +5 mths</p> <p>Phonics Toolkit Strand Education Endowment Foundation EEF</p> <p>Phonics approaches have a strong evidence base that indicates a positive impact on the accuracy of word reading</p>	1,4

(Bug Club Phonics)	(though not necessarily comprehension), particularly for disadvantaged pupils.	
Teachers and support staff to develop and plan for maximising communication and language.	<p>Oral language interventions +6mths</p> <p>Oral language interventions Toolkit Strand Education Endowment Foundation EEF</p> <p>There is a strong evidence base that suggests oral language interventions, including dialogic activities such as high-quality classroom discussion, are inexpensive to implement with high impacts on reading:</p>	1,2,4
<p>Maths Mastery approach embedded across school from Reception to Year 6.</p> <p>Purchase of <i>White Rose Maths</i>.</p>	<p>Mastery learning +5mths</p> <p>Mastery Learning Toolkit Strand Education Endowment Foundation EEF</p> <p>The impact of mastery learning approaches is an additional five months progress, on average, over the course of a year.</p> <p>Mastery learning approaches aim to ensure that all pupils have mastered key concepts before moving on to the next topic – in contrast with traditional teaching methods in which pupils may be left behind, with gaps of misunderstanding widening. Mastery learning approaches could address these challenges by giving additional time and support to pupils who may have missed learning, or take longer to master new knowledge and skills.</p>	1,4
<p>Focus on teaching Reading across school.</p> <p>Purchase of quality reading materials for all year groups.</p>	<p>Reading comprehension strategies +6mths</p> <p>Reading Comprehension Strategies Toolkit Strand Education Endowment Foundation EEF</p> <p>Reading comprehension strategies focus on the learners' understanding of written text. Pupils learn a range of techniques which enable them to comprehend the meaning of what they read. These can include: inferring meaning from context; summarising or identifying key points; using graphic or semantic organisers; developing questioning strategies; and monitoring their own comprehension and then identifying and resolving difficulties for themselves.</p> <p>Strategies are often taught to a class and then practiced in pairs or small groups.</p>	1,2,4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £49,028

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Engaging with the National Tutoring Programme to provide tuition from an Academic Learning Mentor to pupils whose education has been most impacted by the pandemic.</p>	<p>Small groups tuition +4 mths Small group tuition Toolkit Strand Education Endowment Foundation EEF Evidence shows that small group tuition is effective. The average impact of the small group tuition is four additional months' progress, on average, over the course of a year. School uses the ratio 1:3 as a model of best practice when carrying out tuition led by the Mentor.</p>	<p>1,2,4</p>
<p>Additional phonics sessions targeted at disadvantaged pupils needing further support.</p>	<p>Phonics +5 mths Phonics Toolkit Strand Education Endowment Foundation EEF Targeted phonics interventions have been shown to be more effective when delivered as regular sessions over a period up to 12 weeks.</p>	<p>4</p>
<p>Structured group interventions across all year groups 1-6.</p>	<p>Interventions +4 mths Teaching Assistant Interventions Toolkit Strand Education Endowment Foundation EEF Teaching assistants can provide a large positive impact on learner outcomes where teaching assistants are trained to deliver an intervention to small groups or individuals.</p>	<p>1, 2, 4</p>
<p>Speech and language intervention for small groups and 1-1 (NELI, Wellcomm)</p>	<p>Oral language interventions +6mths Oral language interventions Toolkit Strand Education Endowment Foundation EEF The average impact of Oral language interventions is approximately an additional six months' progress over the course of a year. Some studies also often report improved classroom climate and fewer behavioural issues following work on oral language. Approaches that focus on speaking, listening and a combination of the two all show positive impacts on attainment.</p>	<p>1,2,4</p>

Behaviour interventions in order to maximise access to the curriculum for those children requiring them.	<p>Behaviour interventions +4mths</p> <p>Behaviour interventions EEF (educationendowmentfoundation.org.uk)</p> <p>Both targeted interventions and universal approaches can have positive overall effects.</p> <p>The average impact of behaviour interventions is four additional months' progress over the course of a year. Evidence suggests that, on average, behaviour interventions can produce moderate improvements in academic performance along with a decrease in problematic behaviours.</p>	5
--	---	---

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £13,550

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Improve attendance.</p> <p>Member of SLT to oversee attendance.</p> <p>Involvement of PAST (SLA) to support school with PA.</p> <p>Families supported to enable regular attendance ie free school uniform for new starters, free book bags etc.</p>	<p>Embedding the principles of the DfE's Improving School Attendance advice will significantly reduce levels of absence thus ensuring use of Pupil Premium funding will not be undermined.</p>	1,2,3,4,5
<p>Mental Health Support: Trained Mental Health Champion to improve the mental health of our pupils and increase their readiness to learn.</p>	<p>Social and Emotional Learning +4mths</p> <p>EEF Social and Emotional Learning.pdf (EEF)</p> <p>There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers)</p>	1,2,4,5
<p>Enhancement of cultural capital within and outside of the</p>	<p>EEF Arts Education Review</p> <p>EEF state that all children, including those from disadvantaged backgrounds,</p>	1,2,4,5

curriculum.	deserve a well-rounded, culturally rich, education. Arts education itself directly improves pupil attainment.	
Enhancement of PE curriculum to include wellbeing strategies such as Mindful Movement.	<p>Physical activity +1mth</p> <p>Physical activity Toolkit Strand Education Endowment Foundation EEF</p> <p>Physical activity has important benefits in terms of health, wellbeing and physical development.</p> <p>There is a small positive impact of physical activity on academic attainment (+1 month). While this evidence summary focuses on the link between physical activity and academic performance, it is crucial to ensure that pupils access to high quality physical activity for the other benefits and opportunities it provides.</p>	5
Contingency fund for acute issues.	Based on our experiences and those of similar schools to ours, we have identified a need to set a small amount of funding aside to respond quickly to needs that have not yet been identified.	All

Total budgeted cost: £134,799

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Due to COVID-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021 results will not be used to hold schools to account. Given this, please point to any other pupil evaluations undertaken during the 2020 to 2021 academic year, for example, standardised teacher administered tests or diagnostic assessments such as rubrics or scales.

If last year marked the end of a previous pupil premium strategy plan, what is your assessment of how successfully the intended outcomes of that plan were met?

Aim	Outcome
To ensure that disadvantaged pupils made progress in line with NA for phonics.	No national data to compare. Closing the gap between disadvantaged pupils and their non-disadvantaged peers remains a priority. All of these aims were impacted by the Covid pandemic although internal data indicates positive progress of those pupils who engaged in remote learning/attended school during the second lockdown.
To ensure that disadvantaged pupils made progress in line with NA for reading.	
To ensure that disadvantaged pupils made progress in line with NA for writing.	
To ensure that disadvantaged pupils made progress in line with NA for maths.	
Improved attendance of disadvantaged pupils.	Attendance was affected by a second lockdown during the last academic year and remains a priority. Attendance of disadvantaged pupils was monitored closely and actions taken as appropriate. This resulted in improved attendance of individual disadvantaged pupils over the course of the year although it is difficult to gain a true reflection due to Covid-19 restrictions.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
