### **Compass Bloom – Parent Webinar**

Are you worried about your young person's mental health?

Do you want to know more about how to support your young person's emotional wellbeing?

Compass Bloom are running a free webinar for you to access expert advice and guidance to support your young person.

Please complete the [registration form](#) and choose from one of the 4 dates available to access this free informative webinar.

### **Social Media Age Restrictions**

The age restrictions for social media platforms are as follows:

X (Twitter), Facebook, Instagram, Pinterest, Tumblr, Reddit, Snapchat – children should be at least 13  
Whatsapp – children should be at least 16

Please check your child's access to social media and how they are using it. Social media can be used to cause hurt towards others and we do not want this to affect children's enjoyment of school or their learning.

### **Times Tables Rock Stars**

If you are struggling to access Active Learning and Times Tables Rock Stars, please contact your child's class teacher and they will assist you.

### **Attendance and Punctuality : [Major National Drive to Improve School Attendance](#)**

The government recently launched a new drive focused on improving attendance in schools. At St Francis of Assisi, we are committed to improving attendance and recognise that to give our children the best chances in life, full attendance in school is essential. Click on the link above to read more about it.

Full attendance in school is very important. Research has proven that there is a high correlation between school attendance and academic performance and success. Absence from school is often the greatest single cause of poor performance and achievement.

*Why is it so important to attend every day?*

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s).
- Reading the material and completing work independently does not compensate for direct interaction with the teacher.
- Many classes use discussions, demonstrations, experiments and participation as part of the daily learning activities, and these cannot be made up by those who are absent.

*Are there other benefits to my child?*

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life

- Regular school attendance patterns encourage the development of other responsible patterns of behaviour.

Government legislation means that schools are not allowed to authorise requests for children to be taken out of school for a holiday during term time.

Requests for leave can only be granted by schools if there are “exceptional circumstances” and holidays are not considered exceptional. Requests for leave must be made to the Headteacher in advance, as the Department for Education has told schools that they cannot authorise any absences after they have been taken.

We publish our attendance data every week in the school newsletter.

Reception – 85.6%

Y1 – 89.5%

Y2 – 92.8%

Y3/4 – 91.8%

Y5 – 88.8%

Y6 – 93.3%

### **Free SIM cards offer**

The County Council Libraries are providing free SIM cards through the National Databank project as part of the Good Things Foundation. Anyone who fits the criteria can access a SIM card for 6 months with free text and calls and a data allowance. The National Databank provides free SIM cards from Virgin Media O2, Vodafone and Three.

You must be over 18, on a low income and/or struggling to get internet access. You don't need to provide any wider information to the library to access the service only to confirm that you fit the criteria. The libraries are keen to get people through the door to offer wider services. They are now open again as a warm space with a free hot drink.

### **Class Dojo**

Class Dojo is a great platform for enhancing home/school communication – particularly if you cannot get into school to talk to us directly. Staff will endeavour to respond to messages within the school day but please note they cannot respond when they are teaching.

Please also be aware that staff are not obliged to respond immediately to messages sent to them during the evening or weekends. Many thanks for your understanding in this matter.

**More Positive Together Project**

The 'More Positive Together' project, led by WLBC, offers support for parents or individuals who may not be in employment or accessing any training at the moment. The More Positive Together Team can offer tailored advice and support to help individuals become confident, write CV's, attend training and hopefully enter into employment.

For more information or to apply please call 07974592956 or email [MPT@westlancs.gov.uk](mailto:MPT@westlancs.gov.uk)
