

Bug Club Phonics eBooks

Once a child has read a *Bug Club Phonics* book, they can practise reading that text again, using the *Bug Club Phonics* eBooks which are accessed through a child's personalised online reading world. The eBooks have three main features for the child:

- **Phoneme pronunciation guide:** A child (and parent) can hear audio recordings of the sounds that each book is designed to practise, so that they can listen out for them during their reading.
- **Read to me:** A child can also hear a model reading of the text. We recommend that you do not use this 'Read to me' feature before the child has read the printed books for the first time, as the aim of systematic synthetic phonics teaching is to enable pupils to work out the pronunciation of unfamiliar words for themselves. This feature can be used subsequently as a model of fluent reading, to help them give expression to their reading, and to develop a sense of how stories work.
- **Quiz question:** A child can read the text again onscreen, but this time, access an interactive quiz question embedded within the book pages. Each question is designed to reinforce phonic skills, and attempted questions feedback information to teachers.

Child experience

Bug Club Phonics facilitates independent practice at school, home, on computers, laptops and tablets. A child can log in to their personalised reading homepage and access eBooks for further reading practice.

ActiveLearn Coins: A child can collect ActiveLearn Coins by completing quiz questions within eBooks and then exchange these points for rewards.

Worlds: A child can choose between different 'Worlds' to personalise their homepage design.
