12th July 2024,

Dear Parents/Carers,

Year 6 are about to embark upon their final week at St Francis of Assisi. They have their Leavers Assembly on Wednesday at 9.15am followed by leavers celebrations. We are so proud of all they have achieved over the years and hope that they have a really lovely day.

A Poem for Year 6 – ‘Moving On’

Take what we have taught you
Be confident, strong and bold,
The future is exciting
And waiting to unfold.

On your journey to the stars,
A step is what you need to do,
Big or small each step takes
Precious memories with you.

The friends, staff and school trips,
Laughter, fun and tears,
Urging you forwards,
Alleviating fears.

We will look back with pride
As we wave you on your way,
‘Have a wonderful future’
Is what we want to say.

(Debbie Palphreyman)

Class Arrangements September 2024

Class arrangements for the next academic year have been sent out to you all today in a separate letter.

Reports

Reports are being sent home today with your child so please look out for them. If you would like to discuss your child's report, staff will be available after school on Monday.

Park Run

Every Sunday there is a junior Park Run event. This week some children from running club will be attending but it might be of interest to others. Here is the website link with more information where you can also register.

<https://www.parkrun.org.uk/skelmersdale-juniors/>

Curriculum Enhancement

We try very hard to enhance our curriculum in a number of ways as you can see from this [link](#). If you have any suggestions of anything more we can do, being mindful of the cost of living and budget restraints, we would love to hear them and are always open to suggestions.

Extra – Curricular School Activities

Tuesday – Athletics - 3.15pm-4.15pm (WLSP) Year 3&4

Thursday – Breaktimes – Chatty Club – Mrs Gibson

Thursday - Invasion Games - 3.15pm – 4.15pm (WLSP) Year 5&6

Free Secondary School Uniform – SKELMERSDALE FUSS

Please see notice relating to this offer in the office window.

Timings of the School Day

Please note that our school day for Reception to Year 6 pupils starts at 8.45am and finishes at 3.15pm – this information is stated on our school website. The expectation that school hours over the week should amount to 32.5 hours has been set by the DfE.

One Stop Shop

There is now a One Stop Shop on the first Thursday of every month from 9-12pm at The Zone Family Hub in Skelmersdale. There are lots of different agencies who attend as part of the Family Hubs Network such as:

- WLBC
- Money Advice Team
- CAB
- Compass Bloom
- Lancashire Talking Therapies
- Health Visitors
- Schools Nurse
- Employment support
- Plus Many More

There are also representatives from West Lancs Community High, Elm Tree School and Kingsbury School attending who can give advice around SEN.

Please do attend if you would like some support. The first session was this Thursday and we have heard positive reviews.

Nut Allergies

We have a responsibility to provide a safe learning environment for everyone in our school and we take the management of allergies very seriously.

As our school currently has one or more pupils on roll who suffer from a nut allergy, we request that parents and carers do not send food to school that contains nuts.

This includes:-

- All types of nuts
- Spreads and sandwich fillings containing nuts like peanut butter and Nutella
- Cereal and chocolate bars which contain nuts
- Cakes or biscuits which contain nuts

Please check food labels if you are unsure about ingredients.

Social Media Age Restrictions

The age restrictions for social media platforms are as follows:

X (Twitter), Facebook, Instagram, Pinterest, Tumblr, Reddit, Snapchat – children should be at least 13

Whatsapp – children should be at least 16

Please check your child's access to social media and how they are using it. Social media can be used to cause hurt towards others and we do not want this to affect children's enjoyment of school or their learning.

Times Tables Rock Stars

If you are struggling to access Active Learning and Times Tables Rock Stars, please contact your child's class teacher and they will assist you.

Attendance and Punctuality : [Major National Drive to Improve School Attendance](#)

The government recently launched a new drive focused on improving attendance in schools. At St Francis of Assisi, we are committed to improving attendance and recognise that to give our children the best chances in life, full attendance in school is essential. Click on the link above to read more about it.

Full attendance in school is very important. Research has proven that there is a high correlation between school attendance and academic performance and success. Absence from school is often the greatest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s).
- Reading the material and completing work independently does not compensate for direct interaction with the teacher.

- Many classes use discussions, demonstrations, experiments and participation as part of the daily learning activities, and these cannot be made up by those who are absent.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour.

Government legislation means that schools are not allowed to authorise requests for children to be taken out of school for a holiday during term time.

Requests for leave can only be granted by schools if there are “exceptional circumstances” and holidays are not considered exceptional. Requests for leave must be made to the Headteacher in advance, as the Department for Education has told schools that they cannot authorise any absences after they have been taken.

We publish our attendance data every week in the school newsletter.

Reception – 88.9%

Y1 – 90%

Y2 – 97.2%

Y3/4 – 86.3%

Y5 – 86.2%

Y6 – 89.4%

Well done to Year 2 for the best attendance this week!

Free SIM cards offer

The County Council Libraries are providing free SIM cards through the National Databank project as part of the Good Things Foundation. Anyone who fits the criteria can access a SIM card for 6 months with free text and calls and a data allowance. The National Databank provides free SIM cards from Virgin Media O2, Vodafone and Three.

You must be over 18, on a low income and/or struggling to get internet access. You don't need to provide any wider information to the library to access the service only to confirm that you fit the criteria. The libraries are keen to get people through the door to offer wider services. They are now open again as a warm space with a free hot drink.

Class Dojo

Class Dojo is a great platform for enhancing home/school communication – particularly if you cannot get into school to talk to us directly. Staff will endeavour to respond to messages within the school day but please note they cannot respond when they are teaching.

Please also be aware that staff are not obliged to respond immediately to messages sent to them during the evening or weekends. Many thanks for your understanding in this matter.

More Positive Together Project

The 'More Positive Together' project, led by WLBC, offers support for parents or individuals who may not be in employment or accessing any training at the moment. The More Positive Together Team can offer tailored advice and support to help individuals become confident, write CV's, attend training and hopefully enter into employment.
