

October 2024

Another month in our lovely nursery has flown by!

We have been learning lots about Autumn! As a EYFS unit, we went on an Autumn walk to find treasures and loved being on the school field in the sunshine. We have enjoyed preparing for Halloween and enjoyed all of the spooky activities in class.

We have been having lots of fun and creative lessons with Miss Evans and Miss Ferry, we have loved using the paints, glitter and making musical instruments.

We have welcomed some new children into our class this month and it has been lovely getting to know our new friends and helping them to explore our classroom and outside areas.

Things to do at home:

- * Read lots of stories and talk about the books. Ask your child questions about the story.
- * Get creative and supervise your child using scissors. Let them glue and stick and make something!
- * Talk about the days of the week and the weather. We do this daily.
- * Look at numbers in the environment —door numbers, count trees, birds, flowers etc

Below are some questions to encourage your child to chat to you whilst out and about!

WALK & TALK
Supporting children's communication and language

On the Street

Listen to the sounds of the street.
Comment on what you hear.

Are there any buses, vans, motorbikes?

How many red cars can you spot?

If there are any shops on the street, look in the window, what do they sell?

Lancashire Early years | Lancashire County Council

The poster features a photograph of a street scene with cars and buildings. The text is arranged in a clean, modern layout with a blue and green color scheme.
