School Photographs

Unfortunately, the school photographer could not attend today and this has been rescheduled for 14th November.

Hello Yellow Day – 10th October

Friday 10th October is World Mental Health Day and 'Hello Yellow Day'. Children can wear something yellow or their own clothes in support of [Young Minds](#), a young persons mental health charity. Donations of £1 or whatever you can give are welcome.

School Communication

There are several ways that you can contact us if you need to. As always, you can use Class Dojo – the children have all been moved on to their current teacher so you can message directly. You can also telephone or speak to us directly, but please be aware that we may be in class teaching or in meetings at certain times of the school day.

We are a very approachable staff and recognise that positive relationships between home and school will always work to the benefit of our children. Like you, we want the very best for them and working together well will ensure that we achieve this.

LAST CHANCE: Important Public Consultation - Ormskirk and Southport Hospitals

There is currently a public consultation on proposals for changes to local urgent and emergency care services. One is for locating children's and adult A&E services at Southport Hospital and the other is for services to be at Ormskirk Hospital. No decisions have been taken yet but the Southport site is currently the preferred option. The consultation closes on 3rd October.

Here is a link to the survey in order to express your preference and have your say:

The Lancashire SEND Roadshow

Please look out for information emailed home regarding the Lancashire SEND Roadshow which will take place on the 22nd October from 9.30am at The Family Hub and Zone in Skelmersdale.

The Best Start in Life Website

On 1 September 2025 the Department for Education launched the Best Start in Life website, as part of their [Plan for Change](#) and giving every child the Best Start in Life. This improved support for families builds on the proud legacy of Sure Start and will help more children be ready to start school.

[The Best Start in Life website](#) will officially replace the Childcare Choices website as the main source of information for early education and childcare support - offering a broader range of resources for families, including eligibility for childcare offers, information about free breakfast clubs and Best Start Family Hubs in their area, and support on pregnancy through to starting school and beyond.

Attendance and Punctuality

If your child is unable to attend school, you need to contact us by telephone or letter to inform us. We may then authorise this absence.

You must also notify us on the first day of any unplanned absence. If you don't do so, we will contact you to check on the attendance.

If your child has been missing school without a reason, the absences will be unauthorised and will carry the risk of a [penalty notice](#) or prosecution.

If you have concerns about your child's attendance, you can contact us to discuss what help might be available and we will happily support you.

Full attendance in school is very important. Research has proven that there is a high correlation between school attendance and academic performance and success. Absence from school is often the greatest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s).
- Reading the material and completing work independently does not compensate for direct interaction with the teacher.
- Many classes use discussions, demonstrations, experiments and participation as part of the daily learning activities, and these cannot be made up by those who are absent.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.

- Having a good education will help to give your child the best possible start in life
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour.

Government legislation means that schools are not allowed to authorise requests for children to be taken out of school for a holiday during term time.

Requests for leave can only be granted by schools if there are “exceptional circumstances” and holidays are not considered exceptional. Requests for leave must be made to the Headteacher in advance, as the Department for Education has told schools that they cannot authorise any absences after they have been taken.

We publish our attendance data every week in the school newsletter.

This week’s attendance & punctuality

Rec/Y1 – 91%

Y2 – 91%

Y3 – 88%

Y4 – 88%

Y5/6 – 85.3%

Well done to Year 2 & REC/1 for the best attendance this week!
