Next week is Anti-Bullying Week. The theme for this year is 'Power for Good' and children are welcome to wear odd socks on Monday to celebrate what makes us all unique. Click on the link [here](#) for some useful information and resources.

## **Mental Health and Wellbeing Day – Monday 10<sup>th</sup> November**

On Monday we are having a Mental Health and Wellbeing Day in school. The Yogi Group will be in school practising yoga and mindfulness with each class. The Yogi Group teachers will work with children to give them specific skills to help improve mental wellness, including anxiety-relieving techniques, breathing techniques and mindful movement.

They have been in school before and the children really enjoyed it. Children can come to school wearing relaxed, comfortable clothes on this day rather than school uniform – not forgetting their odd socks!

## **Remembrance Mass at St Richard's Church**

Families are warmly invited to a special Remembrance Mass at **St Richard's Church** on **Wednesday 26<sup>th</sup> November at 7.00pm**.

This will be an opportunity to gather to remember and pray for loved ones who have died during the past year. The service will be followed by tea and coffee in the parish hall. All are welcome.

## **Social Media**

If your child has a phone please check their use of it on a regular basis if you don't already. We need to work together in ensuring their safe and appropriate use.

The age restrictions for social media platforms are as follows:

X, Facebook, Instagram, Pinterest, Tumblr, Reddit, Snapchat – children should be at least 13

Whatsapp – children should be at least 16

Please check your child's access to social media and how they are using it. Social media can be used, as we all know, to cause hurt towards others and we do not want this to affect children's enjoyment of school or their learning.

You may find some useful information [here](#).

### **School Communication**

There are several ways that you can contact us if you need to. As always, you can use Class Dojo – the children have all been moved on to their current teacher so you can message directly. You can also telephone or speak to us directly, but please be aware that we may be in class teaching or in meetings at certain times of the school day.

We are a very approachable staff and recognise that positive relationships between home and school will always work to the benefit of our children. Like you, we want the very best for them and working together well will ensure that we achieve this.

### **The Best Start in Life Website**

On 1 September 2025 the Department for Education launched the Best Start in Life website, as part of their [Plan for Change](#) and giving every child the Best Start in Life. This improved support for families builds on the proud legacy of Sure Start and will help more children be ready to start school.

[The Best Start in Life website](#) will officially replace the Childcare Choices website as the main source of information for early education and childcare support - offering a broader range of resources for families, including eligibility for childcare offers, information about free breakfast clubs and Best Start Family Hubs in their area, and support on pregnancy through to starting school and beyond.

### **Attendance and Punctuality**

As you are aware, if your child is unable to attend school, you need to contact us by telephone or letter to inform us. We may then authorise this absence.

You must also notify us on the first day of any unplanned absence. If you don't do so, we will contact you to check on the attendance.

If your child has been missing school without a reason, the absences will be unauthorised and will carry the risk of a [penalty notice](#) or prosecution.

If you have concerns about your child's attendance, you can contact us to discuss what help might be available and we will happily support you.

Full attendance in school is very important. Research has proven that there is a high correlation between school attendance and academic performance and success. Absence from school is often the greatest single cause of poor performance and achievement.

*Why is it so important to attend every day?*

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s).
- Reading the material and completing work independently does not compensate for direct interaction with the teacher.
- Many classes use discussions, demonstrations, experiments and participation as part of the daily learning activities, and these cannot be made up by those who are absent.

*Are there other benefits to my child?*

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour.

Government legislation means that schools are not allowed to authorise requests for children to be taken out of school for a holiday during term time.

Requests for leave can only be granted by schools if there are "exceptional circumstances" and holidays are not considered exceptional. Requests for leave must be made to the Headteacher in advance, as the Department for Education has told schools that they cannot authorise any absences after they have been taken.

We publish our attendance data every week in the school newsletter.
