8th January 2026,

Dear Parents and Carers,

Welcome to the Spring term and Happy New Year! I hope that you all had a wonderful Christmas.

URGENT DEADLINE : Places in Reception for September 2026

Parents can apply online at www.lancashire.gov.uk/schools - it's quick and easy!

The national closing date for applications is:

- **15 January 2026 for primary applicants.**

We have places available for children in Nursery if you know families who may require a place. Direct them to contact the school office on 01695 558560 and we will be happy to assist.

Parent Governor

There is a place for a parent governor on the governing body of our amazing school.

The role of a parent governor is no different to any other governor. Governing boards make strategic decisions and work together to:

- develop a vision and strategy for the school
- oversee financial performance and make sure money is well spent
- hold the headteacher to account for the educational performance of the school
- engage with pupils, staff, parents and the wider school community to understand their views

If you are interested in this opportunity to become a parent governor and wish to put yourself forward for election, please contact me or call into the school office and ask to speak to me. Voting will take place if we have several nominees. Please do this by **Friday 23rd January 2026** if you are interested.

Urgent Appeal – TWINKLE HOUSE

Please see this urgent appeal from **Twinkle House** that we have been asked to share:

Dear Friends and Supporters,

Twinkle House is facing a critical challenge. Without significant help, we will be forced to close our doors, resulting in the loss of an irreplaceable service. This would have a profound and lasting impact on the community who depend on us every day.

We are therefore reaching out to our stake holders and supporters, who understand what Twinkle House offers. Can you make a difference at a pivotal moment in our history?

How you can help

Your support will help our fight against the very imminent threat of closure and strengthen a vital service relied upon by so many families.

We sincerely hope you will consider standing with us now in our time of need and at a time when your support can make the greatest possible difference.

Thank you for taking the time to consider this appeal. We would be grateful if you would also be able to share this urgent appeal far and wide across your networks, to ensure we reach as many people as possible.

Alternatively, we would welcome any donations via the details below, to prevent us from having to say goodbye!

Warm regards

Deirdre Mitten Centre Manager

Social Media

If your child has a phone please check their use of it on a regular basis if you don't already. We need to work together in ensuring their safe and appropriate use.

The age restrictions for social media platforms are as follows:

X, Facebook, Instagram, Pinterest, Tumblr, Reddit, Snapchat – children should be at least 13

Whatsapp – children should be at least 16

Please check your child's access to social media and how they are using it. Social media can be used, as we all know, to cause hurt towards others and we do not want this to affect children's enjoyment of school or their learning.

You may find some useful information [here](#).

School Communication

There are several ways that you can contact us if you need to. As always, you can use Class Dojo – the children have all been moved on to their current teacher so you can message directly. You can also telephone or speak to us directly, but please be aware that we may be in class teaching or in meetings at certain times of the school day.

We are a very approachable staff and recognise that positive relationships between home and school will always work to the benefit of our children. Like you, we want the very best for them and working together well will ensure that we achieve this.

The Best Start in Life Website

On 1 September 2025 the Department for Education launched the Best Start in Life website, as part of their [Plan for Change](#) and giving every child the Best Start in Life. This improved support for families builds on the proud legacy of Sure Start and will help more children be ready to start school.

[The Best Start in Life website](#) will officially replace the Childcare Choices website as the main source of information for early education and childcare support - offering a broader range of resources for families, including eligibility for childcare offers, information about free breakfast clubs and Best Start Family Hubs in their area, and support on pregnancy through to starting school and beyond.

Attendance and Punctuality

As you are aware, if your child is unable to attend school, you need to contact us by telephone or letter to inform us. We may then authorise this absence.

You must also notify us on the first day of any unplanned absence. If you don't do so, we will contact you to check on the attendance.

If your child has been missing school without a reason, the absences will be unauthorised and will carry the risk of a [penalty notice](#) or prosecution.

If you have concerns about your child's attendance, you can contact us to discuss what help might be available and we will happily support you.

Full attendance in school is very important. Research has proven that there is a high correlation between school attendance and academic performance and success. Absence from school is often the greatest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s).
- Reading the material and completing work independently does not compensate for direct interaction with the teacher.
- Many classes use discussions, demonstrations, experiments and participation as part of the daily learning activities, and these cannot be made up by those who are absent.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour.

Government legislation means that schools are not allowed to authorise requests for children to be taken out of school for a holiday during term time.

Requests for leave can only be granted by schools if there are "exceptional circumstances" and holidays are not considered exceptional. Requests for leave must be made to the Headteacher in advance, as the Department for Education has told schools that they cannot authorise any absences after they have been taken.

We publish our attendance data every week in the school newsletter.

This week's attendance & punctuality

Reception & Y1 – 88%

Y2 – 88%

Y3 – 72.7%

Y4 – 87.4%

Y5 & Y6 – 87.6%

Well done to Rec/Year 1 & Year 2 for the best attendance this week!

The class with the best punctuality this week is: Year 3
