## SPARKLE DAY

We will be holding a non-uniform day on Tuesday 4<sup>th</sup> July. The day will be a 'Sparkle Day' to raise funds for a local charity called the Sparkle Bean Trust.

The charity aims to support primary schools with advice and grants following the sudden death of a pupil so that school communities are supported. The charity was born out of the experiences of Tarleton Community Primary School as they experienced the loss of a pupil, Saffie-Rose Roussos, in the Manchester Arena Attack and the subsequent trauma that engulfed them. Through the generosity of strangers and other schools, a fund was set up which aided their recovery. Many schools held 'wear what you like days' to raise money and to show solidarity. For further information, please visit [www.sparklebean.co.uk](http://www.sparklebean.co.uk).

Therefore, on Tuesday 4<sup>th</sup> July, we are asking children to make a donation and come to school in their own clothes and preferably something sparkly! Saffie-Rose would have been 15 on this day.

In addition, we will be selling charity slap bands to support the charity. These priced at £1.50 and are available in either blue and red or purple and pink. They are available from the school office and will further support the charity to raise awareness. It would be great if you could support this.

I am sure that you will agree, this is an excellent way for our school to join others and come together to support the charity and therefore children and school communities in their darkest hour.

### **Attendance**

Attendance for this week is as follows –

Reception –90%

Y1/2 –86.0%

Y3 –93.9%

Y4 –92.3%

Y5 –95.6%

Y6 –88.6%

### **WEATHER**

It looks like next week could be a little mixed in terms of the weather. Where it is hot, I am happy for children to come into school in their PE kits if that means they will be more comfortable.

### **CALLING FORMER PUPILS – St Francis of Assisi, St Mark's St Matthews and St Luke's**

St Francis of Assisi School opened in 2005 when St Mark's, St Matthew's and St Luke's amalgamated. It would be lovely to have some of our grown-up former pupils back in school to talk to our children about the jobs you currently do. We always like to hear how our past pupils are doing and the children find it interesting to learn about different careers.

If you know any former grown-up pupils, please ask them to contact me at the heads email address.

### **PARKING**

As I have previously requested, please be considerate and avoid parking in residential parking spaces around school. I have had several recent complaints from the local community.

### **Maths**

Mrs Wright is our Maths Lead in school and she has asked me to share this link with you as she thinks it may be useful:

<https://whiterosemaths.com/maths-with-michael>

There are 6 videos that explain how you can help your child with maths and there are some useful resources too.

### **Teacher Training – North West SCITT**

As a key partner of NW SHARES SCITT Primary Teacher Training programme we are delighted to share the news that our teacher training programme has recently been judged to be outstanding by Ofsted in the recent inspection. Only 6 other providers in the country currently hold this grade under the inspection framework

introduced in 2020. **If you are interested in training to become a primary school teacher and already hold a degree, call the office on 01695 557488 for more information.**

### **Help and Assistance in Difficult Times**

Times are hard at the moment for many. The St Vincent de Paul Society (SVP) can provide practical assistance if you need it and we have a local branch in Skelmersdale. You can ring them on 07470351042. They are really approachable and non-judgemental and they help us a lot as a school. There is a foodbank available behind St Francis of Assisi Church near the entrance to the adjoining house. This is open every Wednesday from 12 noon until 1pm.

### **Cost of Living Support – Guidance for parents and carers**
