CALLING FORMER PUPILS – St Francis of Assisi, St Mark's St Matthews and St Luke's

St Francis of Assisi School opened in 2005 when St Mark's, St Matthew's and St Luke's amalgamated. It would be lovely to have some of our grown-up former pupils back in school to talk to our children about the jobs you

currently do. We always like to hear how our past pupils are doing and the children find it interesting to learn about different careers.

If you know any former grown-up pupils, please ask them to contact me at the heads email address.

PARKING

As I have previously requested, please be considerate and avoid parking in residential parking spaces around school. I have had several recent complaints from the local community.

Maths

Mrs Wright is our Maths Lead in school and she has asked me to share this link with you as she thinks it may be useful:

There are 6 videos that explain how you can help your child with maths and there are some useful resources too.

Teacher Training – North West SCITT

As a key partner of NW SHARES SCITT Primary Teacher Training programme we are delighted to share the news that our teacher training programme has recently been judged to be outstanding by Ofsted in the recent inspection. Only 6 other providers in the country currently hold this grade under the inspection framework introduced in 2020. **If you are interested in training to become a primary school teacher and already hold a degree, call the office on 01695 557488 for more information.**

Help and Assistance in Difficult Times

Times are hard at the moment for many. The St Vincent de Paul Society (SVP) can provide practical assistance if you need it and we have a local branch in Skelmersdale. You can ring them on 07470351042. They are really approachable and non-judgemental and they help us a lot as a school. There is a foodbank available behind St Francis of Assisi Church near the entrance to the adjoining house. This is open every Wednesday from 12 noon until 1pm.

Cost of Living Support – Guidance for parents and carers

Find out the most up-to-date information about what help is available for households and businesses in Lancashire on the [Cost of living support website](#). This website summarises some of the most useful information from Lancashire County Council and they have asked that we share it with you.

Wishing you all a lovely weekend,

Ann Naylor (Headteacher)
